The **Carolyn Pulis Memorial Scholarship** offers financial assistance to fiddlers or dancers based on need, with preference given to first-time campers. Recipients may be active in the music and dance community or may be newly interested in Scandinavian music or dance. Recipients may also apply for additional funds for travel.

The **Matt Fichtenbaum Scholarship** offers financial assistance to fiddlers or nyckelharpa players, with preference given to those who are interested in broadening their musicianship through the study of harmony. Recipients may also apply for additional funds for travel.

The **Pascal Peterson Scholarship** offers financial assistance to first-time campers who dance, with preference given to those who have danced with folk dance groups associated with Scandinavian-American communities. Students of any age and younger campers (under age 35) may request additional funds for travel.

The **Young Dancer Scholarship** offers financial assistance to young adult dancers (18 to 35 years of age) who are currently active or becoming interested in Scandinavian dance. Recipients may also apply for additional funds for travel.

**Scholarship awards will reduce an awardee's registration rate to between \$250 and \$600, depending on need.**
